LOCARNO, SWITZERLAND | PRICE UPON REQUEST

Perhaps the most beautiful private building in the old town of Locarno is for sale. The listed 17th century palace has been restored (thermal pump heating), has access to the garage and its own city garden with a large outdoor pool. Reside in style like the former prefect of Switzerland in Ticino, Giuseppe G.B. Franzoni (1758–1817), but with all comforts.
