EXQUISITE ESTATE

CASSINA D'AGNO, TICINO

- 10 bedrooms and 12 baths
- Built in the 15th century

Integrated into a historical hamlet, this 15th-century estate, built in around 1400, is an incredible offering. Impeccably renovated over the years—most recently in 2015—to retain its architecture and magical atmosphere, the property spans 16,512 sq ft and has a total of 10 bedrooms and 12 baths. Luxurious and spacious living areas are perfect for grand-

scale entertaining, while 2.5 acres of grounds include sublime parkland and an elegant swimming pool. There are two parking spaces in the courtyard and six covered spaces in the garden, delivering convenience for guests and easy access to the surrounding area. This includes the beach at Lido Agno on the shores of Lake Lugano; the beautiful town of Cassina d'Agno; the shops, restaurants, and cultural attractions of Lugano; and the 18-hole course at Golf Club Lugano. Superbly situated, Lugano-Agno airport and other international airports at Milan Linate, Malpensa, and Orio al Serio are all less than an hour away.
